### **PROFIT WARNING**

This announcement is made by Fu Shek Financial Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the information currently available to the Company and the preliminary review by the Board of the unaudited consolidated management accounts of the Group for the year ended 31 March 2021, the Group is expected to record a decrease in net profit for the year ended 31 March 2021 of not less than 20% as compared to that for the year ended 31 March 2020. By excluding the non-recurring listing expenses incurred during the year ended 31 March 2020, the Group is expected to record a decrease in adjusted net profit (the “**Adjusted Net Profit**”) for the year ended 31 March 2021 of not less than 68% as compared to that for the year ended 31 March 2020.

The Board considered that the decrease in Adjusted Net Profit of the Group was mainly attributable to: (i) decrease in placing and underwriting services income, which in turn was due to the prudent approach adopted by the management of the Company in taking up new placing and underwriting projects in light of the uncertain economic outlook and volatility in the stock market; (ii) decrease in commission and brokerage income on securities dealing due to intense competition in the market despite the increased trading turnover during the year; (iii) increase in impairment loss for accounts receivable arising from the business of dealing in securities under the expected credit loss model; and (iv) increase in operating expenses and staff costs as compared with the year ended 31 March 2020.

The Company is still in the process of finalising the annual results of the Group for the year ended 31 March 2021. The information contained in this announcement is only a preliminary assessment based on the unaudited consolidated management accounts of the Group and the information currently available for the time being, which have not been audited nor reviewed by the Company's auditors and have not been confirmed by the audit committee of the Company and are subject to adjustments. The financial results of the Group for the year ended 31 March 2021 will be set out in the annual results announcement of the Company to be published by the end of June 2021.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**
